

Shizuoka Japan

GINI Index (country)
32.9

HDI (country)
0.925

Total urban area (city)
343km²

Total population (city)
693,389

City-wide density (pop/Km²)
2,024.02

Prefecture GDP per capita (INT \$)
\$44,838.40

Global Observatory of
Healthy and
Sustainable Cities

Spatial Indicators

89.1%

Population with access to
fresh **food market** or
supermarket

88.7%

Population living in neighbourhoods
above minimum density threshold for
WHO physical activity target

93.3%

Population with access to
regularly running formal
public transport (<20 mins)

96.7%

Population with access to any
public open space

100%

Population living in neighbourhoods
above minimum connectivity threshold
for WHO physical activity target

Policy Indicators

Metropolitan transport policy with
health-focused actions

Employment distribution requirements

Street connectivity requirements

Housing density requirements

Air pollution policies for transport and land-use
planning

Parking restrictions to discourage car use

Provision of **pedestrian infrastructure** and
targets for walking participation

Minimum requirements for **public transport**
access and targets for **public transport** use

Requirements for **public transport** access to
employment and services

Minimum **public open space** access requirements

Provision of **cycling infrastructure** and targets
for cycling participation

Publicly available information on **government**
expenditure for different transport modes

Policy exists

Policy aligns with health and sustainability promotion

Policy includes measurable targets

The evidence-based indicators and thresholds in this scorecard are based on an international study by the Global Healthy and Sustainable City-Indicators Collaboration, published in May 2022 in The Lancet Global Health (<https://www.thelancet.com/series/urban-design-2022>).

Full details of the data and methods are available at the Global Observatory of Healthy & Sustainable Cities Website: <https://www.healthysustainablecities.org>.

City team members

Takumi Yamada, Moe Takeuchi, Takumi Narusawa, Keita Fukushima, Ko Shiozaki, Tetsuya Takahashi, Mai Fukaya, Hiroshi Morita and Kimihiro Hino.

Scorecard design

Andres Ballen, Deborah Salvo and Eugen Resendiz.
